

WILL ESTABLISH WIRELESS HERE

Stations to Be Put Up in Richmond and at Virginia Beach.

JIM CROW LAW WORKS WELL

First Revenues of Virginia Beach Go Towards Making Good Sidewalks.

(Special to The Times-Dispatch.)
NORFOLK, VA., June 15.—Virginia Beach and Richmond, too, are to have wireless telegraph stations. General Manager Armstrong, of the DeForest Wireless Company, will be in Richmond in about two weeks for the purpose of arranging for the opening of the station there, and the Virginia Beach station will be put in about the same time.

Owing to the metallic roof fittings of the National Bank of Commerce building, on which is located the local station, trouble has been experienced in getting the station to work properly, and, unless the expert wireless constructors can overcome the difficulty, it is probable that the station will be moved to the Board of Trade building.

"Working like a charm" is the general reply from officials of street railway companies to all questions relative to the operation of the new "Jim Crow" car law.

Not a single trolley line has reported a single instance of real trouble with passengers in consequence of the conductors' enforcement of the law.

It has been observed that the negro traffic on the cars has fallen off materially, although there has been no organized movement here on the part of the negroes to discourage riding on the cars because of the separation of the races.

An official of one of the railroads made the statement that it would probably require from six weeks to two months for the negro traffic to resume its normal proportions on the street railways.

The most trouble experienced by the conductors is the moving of white passengers after they have once seated themselves.

The work of laying the proposed granite sidewalk in front of the cottages at Virginia Beach, from the Princess Anne Hotel to the Virginia Beach Life-saving station, a distance of six blocks, will be begun next week and General Manager Pannell, of the Southern Contracting Company, which has the contract for the work, expects to have it completed before July 1st. The walks are to be six feet wide, and are to be bulkhead. The cost of laying the walks will be \$3,000, which will come out of the first year's revenue of the incorporated town of Virginia Beach.

The Beach Town Council is now preparing for a bond issue of about \$50,000, for the installation of sewer, water and lighting systems. The cost of laying the walks will be \$3,000, which will come out of the first year's revenue of the incorporated town of Virginia Beach.

The summer criminal term of the United States Court, which began last June 6th, adjourned to-day at 10 o'clock. Judge Waddell, District Attorney Lewis and Talley and Marshal Morgan Trent returned to Richmond to-night. The nine days that the court was in session cost the government \$2,000 in jury and witness fees and expenses.

AUTOMOBILE LAW.
Frederick Makes One Sure by Second Adoption.

(Special to The Times-Dispatch.)
WINCHESTER, VA., June 15.—The board of supervisors of Frederick county, for the second time to-day adopted the Byrd automobile law, which regulates the operation of automobiles in this State. The law did not become effective until June 13th, and had to be re-adopted by the supervisors.

Miss Angie Kerns, daughter of Deputy Sheriff H. P. Kerns, of this county, was run into on Main Street in Winchester to-day by a bicycle. The girl, who was riding on a bicycle, was thrown from the seat and her mouth was lacerated, and her shoulder was badly sprained.

She was crossing the street when the bicycle, going at rapid rate, dashed into her.

The Court of Appeals of Virginia will be called upon to determine the disposition of an estate of ten thousand dollars left by John L. Banoutter, a Frederick county farmer, Judge Harrison, in the Circuit Court, to-day signed an order appointing J. M. Steek committee for Mrs. Mary J. Banoutter, the widow, who has been adjudged too feeble to manage the estate.

The appointment is opposed by J. W. Rice, named administrator of the estate.

FOUND WIFE BOUND.
Mrs. Alonzo Powell Chloroformed and House Robbed.

(Special to The Times-Dispatch.)
SUFFOLK, VA., June 15.—Word from Rescue, Isle of Wight county, to-day says Alonzo Powell, on returning home after a several hours' absence, found his wife bound, gagged and senseless. Money, a watch and other jewelry were strewn about the house and in the yard. On regaining consciousness, Mrs. Powell said she remembered being approached by a figure covered in blood, and she was selected and a chloroform-saturated sponge was pressed to her mouth and nose. That was the last she knew.

Her first impression on the approach of the sheeted form was that it was her husband trying to frighten her, and she said laughingly that she wouldn't scare. The house had been ransacked, and the only explanation of the scattered plunder is that the intruder was interrupted and fled hurriedly.

Neighbors of the Powells regard the affair as somewhat mysterious.

AIDS TO NAVIGATION.
Senator Martin Looking Into Improvements on Ocean Shore.

(Special to The Times-Dispatch.)
CHINCOTRAGUE, VA., June 15.—The following communication was recently received by Dr. H. C. Matory, of Greenbackville, Va., from Senator Thomas S. Martin in regard to aids to navigation on the Virginia ocean shore, which says:

"The following information is secured from the Light-House Board. I quote from a letter received from Captain N. Behrman:

"Referring to the map left at the office of the board on your behalf, with request that you be informed as to the status of the aids to navigation to which it relates, the board has the honor to state that the map shows a wrecker's station at Chincotrague Inlet, Va., and that the following changes have been proposed:

WILD WITH ITCHING HUMOR

Eruption Broke Out in Spots All Over Body—Caused a Continual Itching for Two Years—Doctor's Medicine Did no Good—Cured at Expense of only \$1.25 and Now

THANKS CUTICURA FOR COMPLETE CURE

"Some time ago I wrote you for a book on the Cuticura Remedies and received it. O. K. and went and bought the Soap, Ointment, and Pills. They did me more good than any medicine I ever used. They cured me of my skin disease, and I am very thankful to you. My trouble was eruption of the skin, which broke out in spots all over my body, and caused a continual itching which nearly drove me wild at times. I got medicine of a doctor, but it did not cure me, and when I saw in a paper your ad, I sent to you for the Cuticura book and I studied my case in it. I then went to the drug store and bought one cake of Cuticura Soap, one box of Cuticura Ointment, and one vial of Cuticura Pills. From the first application I received relief. I used the first set and two extra cakes of Cuticura Soap, and was completely cured. I had suffered for two years, and I again thank Cuticura for my cure. If you wish, you may publish this. Your friend forever, Claude N. Johnson, Maple Grove Farm, R. F. D. 2, Walnut Knoll, June 15, 1905."

ITCH! ITCH! ITCH!

SCRATCH! SCRATCH! SCRATCH! This is the condition of thousands of skin-tormented men, women, and children, who may be instantly relieved and speedily cured by warm baths with Cuticura Soap and gentle applications of Cuticura Ointment, the great Skin Cure, and mild doses of Cuticura Resolvent Pills, when physicians and all else fail.

Send throughout the world. Cuticura Soap, Ointment, and Pills, 32c per vial of 80c per box of 100c per box. A single set will cure. Fuller Drug & Chem. Corp., Sole U. S. Mfrs., Boston, Mass.

to a site near the extremity of the point, and that a red sector be placed in it to cover Turner's Lump, and that a fixed red lens lantern light be placed on the boat-house of the Assateague Life-Saving Station, to the eastward of the present location of the Fishing Point light, to be called the Assateague Anchorage light; also that a red sector be inserted in the Assateague light, that its eastern edge may serve as a guide for vessels entering the anchorage.

"The question of making these proposed changes will be presented at the meeting of the Light-House Board, which will take place on June 14th next, for favorable action."

"I hope the proposed changes will prove satisfactory and beneficial to the community."

If these proposed changes are made, it will be of great importance, not only to the shipping interest in this locality, but to the entire Atlantic seaboard, as it is the only harbor of refuge between Delaware Breakwater and Hampton Roads.

A LADY'S AFFIDAVIT.
Declares She Jumped Out of the Window and Not Thrown Out.

(Special to The Times-Dispatch.)
LYNCHBURG, VA., June 15.—The case against M. B. Binkley, who was charged with throwing his wife out of a second-story window of their home on April 18th, came to an end to-day in the Police Court, when Mrs. Binkley filed an affidavit that she jumped out of the window.

The affidavit avers that she and the husband had a misunderstanding at the time, and, when he slapped her several times, she, when greatly excited, leaped out of the window. Mrs. Binkley has just about recovered from the fall. Her husband spent six weeks in jail.

Binkley is a member of the firm of Binkley Brothers, who conduct a cut-rate drug store in Twelfth Street. The case attracted unusual attention here, and the statement to-day was the first that has been made with reference to it.

Buckingham Court.
(Special to The Times-Dispatch.)

BUCKINGHAM, VA., June 15.—Judge Gordon, of Amherst, opened his first court in this county this morning, and he made an impression on the Buckingham citizens. Several criminal cases occupied the time of the court during the day, true bills being found against Wilson Ellis, who shot and killed William Childress, a white citizen, several days ago; Frank Turpin, colored, who made a violent assault on Mr. Forney Guthrie with a knife and seriously cut him; and Joe Cobbs, colored, who in a scarp about a colored woman, shot both the woman and Edgar Jones, colored.

Cobb made a desperate effort to escape, but was tracked down by Deputy Sheriff Williams and landed here in jail shortly after the shooting, and then only after being shot by a negro who had been assisting in the man-hunt. The jury was dismissed by Judge Gordon this evening. His honor will hold a special court, commencing July 31st, to try these criminal cases.

In a fight over a woman at Ebenezer Church, a colored church in this county, Charles Allen was shot and seriously injured by Cleveland Chambers, another negro, Sunday evening. Chambers was arrested and taken before Magistrate R. C. Patterson Tuesday and was dismissed. It was proved that Allen was shot in self-defense.

Geo. B. Bolton has been appointed postmaster at Hubards, this county, and the office moved into his store, between here and Virginia.

Rev. J. H. Straughn Resigns.
(Special to The Times-Dispatch.)

LYNCHBURG, VA., June 15.—Rev. James H. Straughn, pastor of the Methodist Protestant Church here, has just resigned his pastorate to accept the presidency of the West Lafayette College, at West Lafayette, Ohio.

This resignation came as a great surprise, as Mr. Straughn only a few months ago declined election to the position of Christian Endeavor superintendent of his denomination, making at the time a financial sacrifice to his new work, and the pulpits will be supplied until his successor is secured.

V. P. I. ALUMNI AND COMPETITIVE DRILL

A Spirited Sham Battle Closed the Military Exercises of Commencement.

SWORDS AND MEDALS GIVEN

H. M. Smith Presides as Toastmaster at an Elegant Banquet.

(Special to The Times-Dispatch.)
VIRGINIA POLYTECHNIC INSTITUTE, BLACKSBURG, VA., June 15.—The alumni meeting and the competitive drill were the interesting features of the commencement exercises just closed here to-day.

The company competitive drill was won by Company C, commanded by Captain T. H. Wood. The judges of the contest were Colonel J. S. A. Johnson, Instructor; Colonel W. M. Brooke, Institute Major; Dr. M. Cloyd, Dublin; Mr. J. S. Musgrave, Southampton; Major T. Gilbert Wood, Institute.

The medal is one which was won over Virginia Military Institute several years ago for the best drilled cadet company in the State, and each year the companies here have eagerly contested for the prize.

The individual competition drill was won by Cadet A. R. Bauman.

The medal for best drilled artillery detachment was won by the detachment of Sergeant L. T. Downey, of Alexandria.

The medals were presented by Major J. W. Stahl, of Gola, Wednesday morning.

Colonel J. S. A. Johnson presented the officers of the companies handsome testimonials of esteem and respect from the men of their commands.

Captain S. H. Lee, of Company D, received a handsome gold watch and chain.

Swords were given to Captain T. H. Wood, Company C; Captain B. G. Anderson, Company B; Captain R. J. Wyss, Company E; Captain A. D. Williams, Company F; Captain C. D. Snead, Company A.

To Captain R. G. Lugden, of the battery, a handsome sabre was given.

A sword to Captain-Adjutant R. H. Henley.

Captain E. H. Taylor and Lieutenant E. M. McCulloch, of the yard, each received a gold signet ring.

The celebration of the Lee Literary Society was held in the college auditorium.

The first orator was J. R. Shepherd, whose subject was "Classified Labor."

Shepherd spoke with a vim and animation which charmed the audience and won for himself a hearty round of applause.

The second orator was W. H. Ulrich, who spoke on "The Remnant of a People."

He used the American Indian as his theme and interested and instructed the people with a speech of much merit.

The declaimers were: J. W. Old, subject, "An Old Sweetheart of Mine," and W. B. Martin, whose subject was "Valley Forge."

The question for debate, "Resolved, That all railroads should be owned and controlled by the government," was much discussed by R. C. Kent for the affirmative, and E. Guy for the negative.

The judges were H. M. Smith, Jr., Richmond; Dr. R. H. Hudnall, Institute; Dr. A. J. Nock, Blacksburg.

Mr. Smith presented the medals and the awards were made to J. R. Shepherd, as best orator; J. W. Old, as best debater; R. C. Kent, as best debater.

The annual business meeting of the Alumni Association was held Tuesday morning.

A new constitution, which had been drawn up by a committee during the year, was submitted and was adopted.

The association elected the following officers for the ensuing year:

President, Hon. H. M. Smith; First Vice-President, Mr. J. A. Clarke; Second Vice-President, Mr. R. J. Noll; General Secretary, Dr. F. D. Wilson; Treasurer, Professor H. L. Price.

Executive Committee—Drs. T. L. Watson and Meade Ferguson, Professors A. W. Drinkard, J. H. Gibbons and George L. Pentress.

The alumni banquet was held in the college dining hall at 10 o'clock. Mr. H. M. Smith was toastmaster.

The sham battle was opened by Miss Angela Tinsley, of Radford, sponsor for the battery of artillery, by firing the first gun.

The platoon on the defensive, gave the command and the boom of the big gun announced the beginning of the sham hostilities. The battle raged for an hour.

First one side advanced and then the other, until finally the charge of the offensive carried everything before it in one fierce sweep. Colors were struck and the tired troops marched to the armory, where they laid down their guns for the session of 1905-1906.

REPUBLICANS AT OUTS.
Democrats Expect to Give Slemph the Fight of His Life.

(Special to The Times-Dispatch.)
BRISTOL, VA., June 15.—Nothing that they claim to be serious dissatisfaction among the Republicans of the Ninth Virginia District, the Democrats are of the opinion that they will be able this time to give Congressman Slemph the tussle of his life. It seems a foregone conclusion that the Republican convention, to be held at Marion, Va., on next Wednesday, the 20th inst., will renominate Congressman Slemph, without an opposing candidate for the nomination.

Former Chairman Stuart P. Lindsay continues to make published attacks on Colonel Slemph, but he failed to support the late General Jas. A. Walker when he was a candidate for Congress.

ENTHUSIASM AT UPPERVILLE SHOW

Three Thousand People Attend the Second Day of Excellent Events.

THOROUGHbred YOUNGSTERS

A Remarkable Performance Backed Over Four-Foot Jumps.

(Special from Staff Correspondent.)
UPPERVILLE, VA., June 15.—Three thousand people at Upperville Horse Show saw to-day one of the best shows that has ever taken place in the State. It fell heavily late in the afternoon, but it did not dampen the ardor of the enthusiasm, for the last five classes were shown in a hard down-pour.

Probably the best class shown from a horseman's standpoint was that for thoroughbred yearlings, which called out eight youngsters, all bred in the purple.

Mr. Henry Oxnard, whose Blue Ridge stud is in this county, made a clean event of the ribbons, with two colts by Flagstaff and one by Hawkeville.

Mr. Duffy won the two-year-old thoroughbred class with a colt by imported Arlington, and Mr. H. Rosier Dulaney carried off the blue for three-year-old clean bred with "The Colonel," by Mentone.

The class for two-year-old stallions called out five applicants for honors, all of them of good "class."

Oxnard's "Prince of Melbourne" secured the award, which met with popular approval.

Mr. F. W. Okie secured a blue with "Grand Marshal" in the thoroughbred hunter class, and a blue with "Sweet Wine" in the small park hack event.

Mr. R. M. Peach won the green hunter class from forty-seven competitors, with his good-going mare, "Lucy Long."

Dr. David Dunlop won a blue with his clean bred hunter, "The Buck," in the heavyweight event, and also annexed three reds and a white during the day.

A remarkable performance was made during the recess hour, when R. A. Dodd, of Leesburg, rode his gelding, "Billy," without saddle or bridle around the ring over 4 1/2 feet jumps, making absolutely a clean performance. It was a wonderful exhibition, and the crowd was quick to appreciate it.

A very small boy on a very large horse created somewhat of an excitement in the heavyweight hunter class, when his mount attempted to jump the guard fence into the crowd. The small boy was game and succeeded in pulling his horse back into the ring after he had gotten his forelegs over the guard rail.

Rev. J. M. McCulloch, affectionately known as "the sporting parson," rode in the park hack event, but failed to secure a ribbon. Mr. C. W. Smith's "Sinbad" won over "Jubilation" in the big park hack class.

The show is being remarkable for the high-class hunters that have been exhibited, especially in the green and three-year-old classes.

The officers of the show—Mr. William Fletcher, president; Mr. C. C. Goodrich, secretary; and Mr. Dulaney, chief marshal—received a word of praise for the excellent management of the two days' events.

WORKED SMOOTHLY.
The Separate Car Law Successfully Inaugurated in Danville.

(Special to The Times-Dispatch.)
DANVILLE, VA., June 15.—The new "Jim Crow" car law, which became effective June 14th, was put in operation for the first time here to-day. Due probably to a misunderstanding on the part of some of the citizens and the officials of the Danville Street Railway and Electric Company, no apparent effort was made to enforce the law yesterday.

The conductors were alert to-day to assign the white and colored passengers to their respective portions of the car, and no trouble was experienced.

There was, however, a noticeable absence of the negroes on the cars, but it is not believed that this is due to any concerted action.

Suicide Denied.
(Special to The Times-Dispatch.)
NEWPORT NEWS, VA., June 15.—The body of Lieutenant John B. O. McCulloch, who died suddenly at Fort Monroe yesterday afternoon, was shipped to Washington to-night, and will be buried with military honors at Arlington Cemetery to-morrow. Colonel Ramsey D. Potts, commandant of the fort, states that Lieutenant McCulloch died from heart failure, and has denied a denial of the suicide report to be given out.

Concerning the Institution to Which They Entrust the Keeping of Their Money.

The First National Bank of Richmond, Va.,

Has Therefore Had the AUDIT COMPANY OF NEW YORK, Certified Public Accountants, Make a Thorough Examination of the Bank, and the Report Given Below Speaks for Itself:

THE AUDIT COMPANY OF NEW YORK.

To the President and Board of Directors, The First National Bank of Richmond, Virginia:

Dear Sirs: Agreeably to your request, we have made an examination of the condition of THE FIRST NATIONAL BANK OF RICHMOND, VIRGINIA, as of the close of business, May 31, 1906.

We hereby certify that the accompanying statement is a true and correct exhibit of the condition of the Bank as of the date named.

Our examination in detail was as follows:

ASSETS

LOANS AND DISCOUNTS:
The gross amount was proven after inspection in each case of the evidence of indebtedness. All collaterals were verified and found to be as called for by the notes.

INVESTMENTS:
Were examined and verified as to both holdings and values.

BANKING HOUSE AND LOT:
Were found to be carried on your books at a value considerably below the assessment for taxation purposes.

DUE FROM BANKS:
Accounts current were either rendered to, or received from, correspondent banks, and all exceptions reported were traced to a correct settlement. This comment applies also to banks having credit balances.

CASH AND RESERVE:
Cash on hand was proven by actual count. Certificates as received from reserve agents were verified with the balances claimed.

ALL OTHER ASSETS:
All items not especially mentioned in the foregoing, were proven after thorough investigation.

LIABILITIES

DEPOSITS:
The system of changing the clerks in charge of the depositors' accounts was considered to make it unnecessary to call for the pass books. Those presented at the bank during the stay of our examiner were compared and found to be correct.

EARNINGS:
The credits and debits entering into this account since January 1, 1906, were audited and found to be correctly shown on the ledger.

It is a pleasure to report that we found the work of the bank well systematized, carefully guarded, and the books kept in a clear and intelligent manner. Our examination was comprehensive, and its results should be gratifying to the shareholders. For the assistance rendered us by your officers we wish to present our thanks.

Yours very truly,
THE AUDIT COMPANY OF NEW YORK,
E. T. PERINE,
General Manager.

CLOSING EXERCISES AT EMORY AND HENRY

Plans Set in Motion for Construction of Three More Buildings.

(Special to The Times-Dispatch.)
BRISTOL, VA., June 15.—School closed for the session at Emory and Henry College this week. The graduating class consisted of thirteen members, eleven of whom were Virginians. The Robertson prize medal for oratory was awarded to W. B. Spooner, of North Carolina.
